In order to keep up with demand for RCBI services, we have expanded our footprint to include more locations. The new offices are in Huntington, Marietta, Ohio, Charleston, and Bridgeport. Each location is strategically positioned to be closer to clients and offer greater access to a wide range of services. In addition to expanding our physical footprint, we have also increased our virtual presence through our website, www.rcbi.org, and social media platforms. We encourage you to visit our website and connect with us online to learn more about the services we offer.
